

Life Rings

These ring buoys are manufactured under strict codes and supervision of the United States Coast Guard. Made of solid, closed-cell plastic. The Soft-TEX surface resists weather and temperature extremes and will not rot or mildew.

Stainless Steel Ring Buoy Holder

This stainless steel holder has a wide throat for easy access to buoy and throw line.

Life Hook

Fits any standard straight pole (do not attach to telescopic poles). Nut and bolt not included.

Life Hook Pole

Fiberglass Poles with E-Z Lock compression lock are manufactured to withstand abuse. Required for service pros in areas where protection from electrical shock is mandatory. UV protective coating helps prevent splintering with age.

Rescue Tube

The latest in Rescue Tube Design with hand grips, 63" tow line with 3" shoulder strap loop and shoulder harness. Dimension: 51" x 6 1/2" x 3 1/4"; Wt: 6 lb.

Spine Boards

Acapulco's deluxe spineboard is made from sturdy polyethylene, which is both durable and buoyant. There are larger hand holds and additional inner slots for smaller patients. It is easily sterilized and maintenance free. It is also 100% x-ray translucent and supports over 500 lbs. Available in white, blue, orange and yellow.
