

Water Umbrella

Provides a popular effect that sends a steady circular sheet of water down around their caps. A smooth laminar water sheet appears to be transparent and when wind is present the sheet provides a varied visual texture.

6' Umbrella
7' 8" Umbrella

Water Umbrella Accessories

Umbrella Install Kit (Top)

Shroud/Anchor Kit (Bottom)

Waterslides

There are several types and combinations of slides available.

Please contact Acapulco Pools to discuss your slide needs.

Tot Slide

The Tot Slide, designed for toddlers, has many features including: portability, non-slip steps, brightly coloured build and easy installation.
