CHEMICALS

Make sure you pool is ready for the colder seasons. Whether you keep it open or close it up tight - we have the chemicals you need.

BASIC CLOSING KIT

\$48⁹⁹

Basic Closing Kit includes:

[x1] GLB Sequa-Sol Sequestering Agent Reg. \$19
Sequa-Sol sequestering agent prevents staining, scale and rust on pool equipment, pipes and fittings.

[x1] GLB Algimycin 2000 Algaecide Reg. \$30
Algimycin 2000 algaecide kills, prevents and controls all algae types. This nonmetallic, poly-complex formula gives fast and effective control with no foaming or straining.

[x3] GLB Oxy-Brite Reg. \$15
This non-chlorine shock oxidizer creates sparkling water and shock treats in one step. Its powerful formula rids pool water of contaminants that cause odor and irritation. It also brightens and clears the water with unique blue water brightening crystals.

PREMIUM CLOSING KIT

\$61⁹⁹

Each Premium Opening Kit includes:

[x1] GLB Sequa-Sol Sequestering Agent Reg. \$19
Sequa-Sol sequestering agent prevents staining, scale and rust on pool equipment, pipes and fittings.

[x1] GLB Algimycin 2000 Algaecide Reg. \$30
Algimycin 2000 algaecide kills, prevents and controls all algae types. This nonmetallic, poly-complex formula gives fast and effective control with no foaming or straining.

[x1] Dazzle Ultra Shock Reg. \$40
Ultra Shock is one of Dazzle's most advanced weekly shock treatments. Can be used as a pre-treatment for algae problems and for clearing cloudy water due to insufficient chlorine or bromine residuals.
